

CLPMS Direct Donation Drive

What is it? - Give a direct donation in lieu of a Magazine Sale Fundraiser
Why should I give? - To directly support extra opportunities for students

No more Magazine Sales! We are asking you to think of the time and money you, friends, and family would normally contribute, and instead provide a **DIRECT DONATION.**

Schools need extra funds to provide those above and beyond opportunities and experiences for students that make a school special.

Every year, CLPMS has organized a Magazine Sale Fundraiser. Last year we raised \$10,000.

WE NEED YOU to help make this successful. If we raise \$35 per student, we will reach our \$10,000 goal. The more we raise, the more we can do for our Pirates!

- \$35 I would have spent this much time and energy on Magazine Sales.
- \$50 Here's a little extra.
- \$100 I can give more to support CLP Students.
- \$_____ This is what I can give. Thank you for making it simple this year.

You can donate through School Pay: [CLICK HERE](#)

Or make your check out to Cache La Poudre Middle School and bring it to the front office.

The money from the DIRECT DONATION DRIVE, (formerly known as Magazine Sales) directly supports students.
