The Cover!

The start of every month, we will reveal a piece of the cover. The full cover & theme will be revealed on the last day of school!

The two-time nationally recognized CLPMS Yearbook Staff is moving forward on creating a yearbook to remember this unique year. To get the school year started, we welcome you to "**The Anchor**", the 2020-2021 CLPMS Yearbook weekly newsletter.

This newsletter will be sent on Mondays to all students, parents/guardians and staff to anchor the week, and provide you information on how everyone can contribute your photos to make this year memorable.

With our challenging times, everyone is a photographer and we can't do this without you, so we are asking for your help.

Thanks for your time and support!

What pictures/information are we looking for this week?

Pg. 3.

How to take pictures with your phone..

In a year of a pandemic, everyone is a photographer.
Working together to remember this unique year.

Turn on the camera's gridlines.
Place subject of photo on the intersections.

Avoid large groups.
Find the most interesting subject: focus on faces in places.

Don't use digital zoom.
Use your legs to get close.

Set the camera's focus and exposure
by tapping on the screen.

Don't take pictures of backs of people,
food in the mouth, anything embarrassing.

Use natural light, no flash.

Take candid (subject not posing for camera). Shoot emotions.

Clean the phone lens with a microfiber cloth.

Use portrait mode to control a busy, distracting background.

Shoot with composition. Common techniques are framing, leading lines, high angle, and low angle.

Shoot each subject 3 ways, a wide shot,
a closer shot and a detail image.

Don't add filters.

Don't edit. Leave that to the yearbook staff.

Don't shoot subject in front of a window.
Light from window will silhouette subject.

If shooting portraits outdoors, place subject in the shade.

Hold the camera straight; don't tilt.

Take horizontal and vertical images.

**For this unique year.
Providing some info to check.**

When submitting photos:

Check Environment
Look around at your surroundings, is environment appropriate, anyone in the background, etc.

Check Clothing
Is the clothing worn in pictures school appropriate?

These are the only hand signs that are approved to be in photos.

Information-Spell Check
Most accurate info helps the yearbook staff make the book.

Note:

Due to space in yearbook and content, not all photos will be used in the yearbook but all will be considered.
Submit your best photos!

Photo Submissions

3RD QUARTER PHOTO CHALLENGE

How many good quality photos can you submit to the yearbook staff?
Every submission = 1 entry.

Starting this week, all photo submissions will be entered into a drawing at the end of the semester for an Amazon Gift Card.

***All photos submitted to date will be included in this quarter's drawing!
2nd Quarter = 3 Categories = 3 Drawings: Student, Parents/Guardians & Staff.**
