

# IB-MYP Learner Profile February 2017

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet help to create a better and more peaceful world. The IB learner profile is the IB mission statement translated into a set of learning outcomes for the 21st century. **The ten IB Learner Profiles are Inquirer, Knowledgeable, Thinkers, Communicators, Principles, Open-minded, Caring, Risk-takers, Balanced and Reflective.**

Each month, teachers working in their grade-level teams nominate two students from each grade who demonstrates the qualities of the monthly Learner Profile focus. **For January 2017, the Learner Profile is Communicator. Communicators are able to understand and express themselves confidently in more than one language. They work well and enthusiastically in team situations.**

The students will be receiving a certificate acknowledging their nomination and their picture will be added to the Learner Profile Bulletin Board near the Counseling Office.

**For the month of January 2017, the staff recognized the following students for the Learner Profile: Communicator – Callia Domanik, Taylor Fisher, Wyatt Grimmer, Kylie Jantz, Reece MacKinney, Caden Streeter.**
