

CLPMS Direct Donation Drive

What is it? - Give a direct donation in lieu of a Magazine Sale Fundraiser
Why should I give? - To directly support extra opportunities for students

No more Magazine Sales! We are asking you to think of the time and money you, friends, and family would normally contribute, and instead provide a **DIRECT DONATION.**

Schools need extra funds to provide those above and beyond opportunities and experiences for students that make a school special.

CLPMS once held an annual Magazine Sale Fundraiser. Last year we replaced that with a Direct Donation Drive and raised \$13,000.

WE NEED YOU to help make this successful. If we raise \$40 per student, we will reach our \$13,000 goal. The more we raise, the more we can do for our Pirates!

- \$40 I would have spent this much time and energy on Magazine Sales.
- \$50 Here's a little extra.
- \$100 I can give more to support CLP Students.
- \$_____ This is what I can give. Thank you for making it simple this year.

You can donate through School Pay: [CLICK HERE](#)

Or make your check out to Cache La Poudre Middle School and bring it to the front office. *Check with your employer to see if they contribute matching funds.

The money from the DIRECT DONATION DRIVE, (formerly known as Magazine Sales) directly supports students.

2018-2019 Direct Donation Drive

Academic Support: Academic interventions and enrichment clubs and class activities, such as Geography and Spelling Bees, Accelerated Reader prizes, breakfast for CMAS, iReady, NewsELA, and SWIS

Clubs and Enrichment: Opportunities to try something new and extend student learning outside of the classroom, such as Lego Robotics, Science Olympiad, National Junior Honor Society, WEB, VR Club, Pirate Mentors, and ELO materials

Student Planners: Every student received a planner for organization.

Student Recognition: Positive Behavior Instruction and Support rewards at our Crow's Nest store, Eighth Grade Award Ceremony and reception, Yearbook award shirts, last day activities, and assemblies
