

Dear Parents,

Because we know that accessing the food pick up options in town may not be easy for everyone in our community, we have collaborated on a plan that brings food closer to you, and is supported by our North FoCo, Laporte, and Mountain communities.

Me Oh My has established an account to take donations solely to support our community. You can go to the website and donate directly. All of the donations will go to purchasing produce at cost from their distributor for food donations. Local Businesses have donated items such as Gibs bagels and Noosa Yogurt.

Here is the plan:

### **To Donate**

Any Time-Donate money on the Me Oh My website.

*Donations Needed!* On Friday we handed out over 200 bags of food/supplies. Thank you to everyone helping to support our families.

- We are in need of non-perishable items and will have a donation drive this Friday, April 17<sup>th</sup>.
- CLPE families, please drop off 12:00-12:30, and CLPM families drop off 12:30-1:00.
- To ensure everyone's safety, when you drop off donations, please have items in your trunk. When you pull up, pop the trunk and we will collect.
- If you do not have a trunk that pops, please stop at the curb, get out of your vehicle, and place the donations on the curb.
- Food pick-up is 2-3pm.

### **To Get Food**

Every Friday from 2:00-3:00. On Fridays we will have fresh produce from Me Oh My. **Anyone who needs it can come get supplies. No need to do anything other than show up.** We mostly have food, but we have some diapers and other items as well. You can even request something specific to see if we have it. CLP/Mountain Schools personnel will be in the CLP parking lot with these donated items to give bags of food to any family who comes that day.

Mr. Schachet will communicate about additional times/days for pick ups further up the mountains.

Take care of yourselves, and I hope you have a restful weekend.

Alicia
